We would like to say a huge welcome to all our new starters in Nursery and Reception!

Look at some of the great fun we have had in our learning this week!

Kingswood – Willow Class

This week, Willow class attended a residential at Kingswood (Colomendy). The children had an amazing time! After arriving they had a beautiful walk in Loggerhead Country Park. They enjoyed activities to help build self esteem and teamwork. Stretching their limits and using growth mindset. It was amazing to see the children's confidence grow after participating in activities such as raft building, obstacle challenges and rope activities. At the campfire in the woods, they sang songs, told jokes, and ate marshmallows! They pushed themselves to their limits with challenges. We are all very proud of the children's adventurous spirit, active participation and their behaviour!
