The Local Authority produce a composite prospectus (Information for Parents) which provides detailed information to guide parents/carers through the admissions process, which is also available via the link above.

Since the children have returned in September they have been working on a new piece of art. This represents how each individual child is unique and special and have written what their aspirations are for the year.

We are fortunate enough as a school to have a large car park, and to maintain the safety of all children and adults please: -

- Use parking bays only
- Do not use the drop off lay by (used for buses, coaches, or deliveries)  
e.g Children were unable to disembark from the school minibus in the designated area today after their school visit potentially putting them at risk
- Do not use the disabled parking bays unless you are a badge holder
  - Do not block cars in
  - Watch your SPEED!

Thank You for your co-operation as always.
