## A reminder that dogs are not allowed on school grounds.

Dogs are a great addition to any family, and it is well known that they can provide a lot of comfort and even can help to reduce stress.

However, following a number of incidents and children and families being fearful, we have a policy that no dogs are allowed on school grounds- even if carried in their owner's arms.

So, if you need to bring them out of the home on your walk to school, please stay with them off site at the main pedestrian gate on The Avenue.

If you do bring them onto site, do not be offended if you are asked to leave the site by members of staff.

The children have worked tirelessly over the last few weeks, putting in so much effort for their up-and-coming show!

They got the opportunity this week to take their show to the stage!! We were amazed and we can't wait for you all to see the hard work and effort that has gone into this!

They will be performing for families at the amazing Shakespeare North Playhouse on 14<sup>th</sup> November .

We're very proud of you all Beech Class!

## Beech Class – Trip to St Mary's

The children had a great time this week visiting St Mary's Church, learning about how science and faith have crossed over for people in the past.

It was an amazing opportunity for Beech class, and they had a great time! They represented themselves and the school amazingly!
