Spooktacular Pumkin Event at Yew Tree Primary

On the 19th and 20th October 2022 Yew Tree Primary will be holding a pumpkin carving event for DSP, EYFS and KS1 children and their families.

This event is a great opportunity to spend some quality time harvesting your family pumpkin and then scooping and carving it with your child or children.

All we ask is for **£2 per child**, which must be made via parent pay by 9am on Tuesday 18th October to allow us to plan for the number of pumpkins and refreshments we need for each event.

EYFS and DSP sessions will take place from 3.30 – 4.30 next Wednesday 19th October

KS1 session will take place from 3.30 – 4.30 next Thursday 20th October

There is a **maximum of 30 adults and children** to each event therefore, you must email yewtree@knowsley.gov.uk with your child's name and year group to book your place.

We will then text you a confirmation of a place and send a link for payment via parent pay before the day.

Letter to parents and guardians from Merseyside Police re. Halloween and Bonfire Night

We are writing to all parents and guardians to ask for your help over Halloween, Bonfire Night and the days around it.

We want everyone to have fun and we'll be working hard to keep you safe.

BUT WE NEED YOUR HELP

Know where your children are

- Encourage kids to go to local events that are being organised, or try a spooky film together
- If your children are going out (particularly on the 30th and 31st of October), make sure you know where they're going. If possible, drop them off and pick them up
- Don't let your children hang around the street
- If they're going somewhere local – walk there with them
- Have an agreed time when they need to be home
- Don't buy fireworks or eggs and flour for them, and don't let them take it out of the house

Know the risks

- Throwing things at cars, buses, shops and houses can hurt people – drivers might swerve if they get distracted and cause a crash, or someone might get hurt by broken glass (and scratched paintwork can be very expensive to fix)
- Getting into trouble with the police can lead to a criminal record, which means not being able to go on holiday to countries like the USA, and not being able to do certain jobs
- Messing around with fireworks is dangerous – some burn as hot as 1,200 degrees - hot enough to melt glass and cause serious or fatal injuries

Know the law

If a young person under the age of 16 commits any of the offences below, the parent/guardian will have to pay the fine.

- A person under the age of 16 can be arrested and fined if found with an unlit firework
- A person under the age of 16 can also be arrested and fined if they throw or light a firework or make a bonfire
- A person under the age of 16 can be arrested and fined for throwing things like eggs, flour, paint or other objects at people, vehicles or property

Thank you for your help and support. By working together, we can keep your children safe this Halloween and Bonfire Night.
