

Yew Tree Primary Academy

Class – Beech/ Yr 5

Term- Spring 2

Remote Learning Plan

Week Commencing: 01.03.21

English

Writing: Persuasive Writing

SPaG:

- Year 5 & 6 Statutory Spelling Words
- To investigate suffixes: -able and -ible
- To investigate the suffixes -ant and -ent

Reading

Letters from the Lighthouse and How does a Lighthouse Work through a mixture of independent and shared reading, children will be answering questions that will require them to interrogate the text in order to retrieve, infer and analyse the language choices made. They will participate in discussion about both books that are read to them and those they can read for themselves, taking turns and listening to what others say.

Geography

UK Countries and Cities

The children will use atlases, maps and globes to locate UK regions, countries and cities. They will identify famous landmarks and use the eight point compass to describe locations. They will know that seas are areas of salt water which separate oceans from land. They will study the River Mersey from its source to the Irish Sea. The children will learn about the components of the water cycle.

PE

Football

Pupils will improve their defending and attacking play, developing further knowledge of the principles and tactics of each.

Gymnastics

Pupils create longer sequences individually, with a partner and a small group. They learn a wider range of actions such as inverted movements to include cartwheels and handstands.

Music

Duration – Oak Academy Unit

History

Beech Class Spring 2

French

Clothes
Counting to 100

Maths

Number: Decimals

In this chapter, pupils explore decimals. To begin this chapter, they learn to read and write decimal numbers. This is followed by comparing decimal numbers to find which is greater and smaller. Pupils then add and subtract decimals before turning decimals into fractions. The chapter ends with pupils rounding decimals to the nearest whole number and decimal position.

RE

Why do we celebrate?

Computing

Sharing Information –
Oak Academy Unit

Art and DT

Design for a purpose – A coat of arms, a brand name and an advert
In this topic, children are faced with the challenge of having to design to a specific criteria or specification, developing design ideas for a room interior, a coat of arms and product to fit a given name, children learn to draw inspiration from different sources and use a range of techniques to experiment with their different concepts.

Science

Properties and Changes of Materials

Continuing our work on this topic, children will complete some investigations at home around thermal insulators and soluble and insoluble materials.

Spelling

Monday

Monday

Objective this week:

<https://classroom.thenational.academy/lessons/to-investigate-the-suffixes-ant-and-ent-60t6cd>

In this lesson, we will investigate the two suffixes -ent and -ant, including noticing some pattern with word class and letter sounds. We will also review some of the spelling rules we have learnt for suffixes in previous lessons.

assistant, servant, significant, arrogant, recent, restaurant, urgent, magnificent, diligent, subsequent

Year 5/6 Statutory Words: accompany, correspond, guarantee, embarrass,

	<p>necessary</p> <p>Set words for spelling test. Tell children to ask a parent/carer to test them on Friday and let us know their score.</p> <p> 01.03.21 Spellings.docx</p>

Thursday

This year's World Book Day looks to be a very different one for schools and families alike. Whether you're at home or at school, join us for a very special Live Lesson aimed at primary pupils to celebrate books and share a story.

This 30-minute Live Lesson, hosted by CBBC's Ben Shires and Bitesize Daily's Mr Smith and tied into key curriculum objectives for Key Stage 2/2nd Level, will be live right here on BBC Teach and on the CBBC channel on the morning of 4th March 2021 at 11:30am.

Thursday Daily Maths PPT:

- 1) 4 A Day
- 2) MNP PPT WITH VOICEOVER

DECIMALS

**Lesson 15 - To be able to round decimals to the nearest whole number.
To be able to round numbers to the nearest tenth.**

Children are to work through the PowerPoint. The answers to the lesson and 4 a day will be posted after lunch.

We'll be learning all about themes in stories and how to identify them, hearing about the stories you've been reading and some of your favourite themes, and meeting some of the incredible people that write about them. To wrap up the Live Lesson, we'll also be holding a live question and answer session with comedian and author of the Little Badman series, Humza Arshad.

Science Tasks/Lessons

Learning Tree (*History or Geography*) Tasks/lessons

Tuesday Science – Properties of Materials Investigations (Comparing Soluble and Insoluble Materials)

L.O.

I can identify and compare soluble and insoluble materials.

Today, you will learn that some materials will **dissolve** in a liquid and form a **solution**. They are **soluble** materials. You will know that other materials do

not dissolve in a liquid. They form a **sediment**. These materials are **insoluble**.

Let parents know they will need:

Clear plastic cups (or glass cups). Salt, white sugar, brown sugar, flour and rice (or other grain/pulse).

Teaspoon and water.

Science 02.03.21
Soluble and insoluble

Day Activity Sheets.pdf

Foundation Subjects

<p><u>Monday</u></p>	<p><u>RE</u></p>	<p>To explore the concept of celebrating New Year in Sikhism</p> <p>Children work through the PPT that explains the story behind Vaisakhi and complete an activity working on choosing one of the Panj Pyare and creating a character profile about them.</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  <p>Vaisakhi - Sikh New Year.ppt</p> </div> <div style="text-align: center;">  <p>Panj Pyare Worksheet.docx</p> </div> </div>
<p><u>Tuesday</u></p>	<p><u>Science</u></p>	<p><u>See Above</u></p>
	<p><u>French</u></p>	<p>French</p> <p>In this lesson, you will learn to: ask questions in French; recognise multiples of 10 to 100; recognise the phoneme u and en; recognise 8 modes of transport; and recognise when to use a /en + transport noun.</p> <p>https://drive.google.com/drive/folders/1JywhTs_50jnFa0RNacFRkNx5qJEvKJva</p>
<p><u>Wednesday</u></p>	<p><u>Music</u></p>	<p>To explore Ostinatos</p> <p>This lesson starts with a welcome song, 'Funga Alafia', followed by an exploration of ostinatos - repeated rhythms or patterns</p> <p>https://classroom.thenational.academy/lessons/to-explore-ostinatos-6wvk8t</p>

	PE	<p>Complete Joe Wicks workout</p> <p>https://www.youtube.com/watch?v=-yI7PU5Sxi0</p>
<u>Thursday</u>	Learning Tree	No Learning Tree this week because of World Book Day activities.
<u>Friday</u>	Computing	<p>Working together</p> <p>Oak Academy advise you to complete this lesson on a desktop device as you need to download and interact with additional files as part of the learning. These can be downloaded from the last slide of the worksheet. You should always ask your parent or carer for permission before downloading files from the internet. In this lesson, you will consider how people can work together when they are not in the same location. You will discuss ways of working and simulate a collaborative online project.</p> <p>https://classroom.thenational.academy/lessons/working-together-c8v3at</p>
	PE	<p>Complete the Joe Wicks workout and quiz!</p> <p>https://www.youtube.com/watch?v=qoh7OnG2K_0</p>
